

Rebuilding Your Nursing Team in 2023

Coming Together After Falling Apart

— NEW DATE ADDED DUE TO HIGH DEMAND —

September 20th, 2023 · 9:30 a.m. - 12:00 p.m. *via Zoom*

COVID-19 has been massively disruptive to nursing teams. Leaders are struggling with picking up the pieces and rebuilding teams in an environment of shorter nurse work tenures. While especially challenging in this environment, building and sustaining high-performance teams is necessary for the future of high-quality, safe nursing care delivery.

This program will provide nurse leaders at all stages of their leadership journey with actionable strategies, best practices, and tools for rebuilding highly effective teams. The workshop will focus on the best evidence on teamwork, how to restore trust, how to promote a sense of community, and how to build cohesive work teams.

This interactive, 2.5 hour workshop will cover:

The Current Nursing Environment

- The impact of COVID on nursing teams
- Generational shifts and the impact on teamwork
- Moving from teams to teaming
- Nurse leaders as team coaches

The Core Tenets of Teamwork

- Reestablishing psychological safety and team trust
- Avoiding team dysfunction
- Teaching the team to manage conflict
- Fostering team emotional intelligence
- Reengaging teams to promote quality and safety

Building World-Class Teams

- Creating a sense of community
- Developing strengths-based teams
- Recruiting staff who are team players
- Integrating agency and travel staff on teams
- Onboarding new team members
- Re-engaging teams in professional governance
