## Frequently Asked Questions about the new RN License Plate

\*\*\*NOTE: License Plate application is located on page two of this document\*\*\*

Dear Colleague,

The ONL office has received numerous communications expressing excitement about the newly approved RN license plate and we couldn't be more pleased with the response. This document will serve as an update on the pre-orders and will answer some frequently asked questions.

### How many pre-orders do you have?

As of January 2019, we have received 540 pre-orders.

### When will you have all 750?

We hope to have all applications by Summer 2019.

### What is the process after that?

ONL will turn over all 750 applications and payments to the DMV, at which time they will create the plate dye and begin manufacturing the plates. They predict this process will take 6 to 8 months.

### Can I use the RN plate on a leased vehicle?

Yes! As long as it is not a commercial vehicle.

### Can I pick my plate number?

Yes, you may select a number from 100-850. Please make 5 choices in case the first few are already taken. Specify your number on a separate piece of paper in your application.

### How will I know when my plate is ready for pick-up?

When plates are ready for pick-up you will receive a form letter from the DMV to the address provided on your plate application. This letter will let you know the plate is ready at the registry office specified on your application.

### Can I pick up the plate at any registry office?

No. You may pick-up the plate at any office, except Natick, Attleboro, and the AAA offices.

### Is the plate fee tax deductible?

Yes.

### How much is the plate every two years when I renew my registration?

\$40 for the plate. Other registration fees apply.

### Other notes:

- On the application, please record your driver's license number, not your nursing license number.
- After this initial batch of 750 plates are ordered and created, the plates will then be available and stocked at your local RMV office.
- The MA RN license plate will make a great graduation, birthday, or holiday gift!

Please contact the ONL office at 781-272-3500 or [info@oonl.org](mailto:info@oonl.org) for questions, additional information, or ideas for outreach and pre-sale of plates.
