WINTER/SPRING 2025

Leadership Lunch Series

Ideas, Insights & Inspiration for Nursing Teams

During this interactive, live educational series, nurses, nurse leaders, and teams learn and gain inspiration from nationally recognized thought leaders for 90 minutes each month while enjoying their lunch. Our speakers share diverse perspectives ranging from big-picture thinking to tactical, actionable strategies, offering something for everyone at all levels of leadership. The program is a way for organizations to provide timely, consistent educational content to their teams that encourages discussion and dialogue while supporting team bonding, collaboration, and ideas to advance practice. *Participants at all levels rave about this series!*

Authentic Leadership: Tapping Into Your Values

Discovering and leveraging our values allows us to lead with integrity, resonating more deeply with our teams and fostering a transparent, inclusive, and motivated work environment. This session will explore leadership as relationship, credibility in leadership, identifying our leadership values, and aligning actions with values.

Friday, February 21st, 2025, 12:00-1:30 PM, Diane Sieg, RN, CYT, CSP

Self-Leadership: Connecting, Engaging, and Energizing

Self-leadership focuses on our most important relationship: the one we have with ourselves. It goes deeper than self-care because it determines the decisions we make every day that affect our overall well-being. This session will empower nurse leaders to feel good about themselves and what they do every day in their work and lives.

Friday, March 21st, 2025, 12:00-1:30 PM, Joyce J. Fitzpatrick, PhD, MBA, RN, FAAN, FNAP

Narrative Nursing: Promoting Resilience and Empowering Nurse Leaders

Narrative Nursing is a form of storytelling among nursing professionals that is focused on acknowledging the meaningfulness of nurses' professional work in affecting changes in patient care and overall care delivery, and providing peer support for the value of nursing. This session will explore how narrative nursing can play a vital role in empowering nurse leaders by promoting resilience and reducing stress, burnout, and compassion fatigue.

Friday, April 18th, 2025, 12:00-1:30 PM, Maria van Pelt, PhD, CRNA, CNE, CPPS, FAAN, FAANA

Healing from the Inside Out: Integrating Trauma-Informed Care and Supporting Professionals Impacted by Secondary Trauma

Adverse events impact patients and care providers alike. How leaders and the care team respond will have a lasting impact. This session will use data and stories to engage participants in thinking about the role we all play in responding to adverse events and how we can best support our colleagues as peers and as leaders.
