

ONL
**Organization of
 Nurse Leaders**

Advancing a culture of health.

Elevating nursing excellence throughout New England for more than forty years

The Organization of Nurse Leaders - MA, RI, NH, CT, VT (ONL) is a not-for-profit membership organization dedicated to empowering nurse leaders so they may advance the health of their patients and communities. ONL members include more than 1,100 nurses across New England. They are nurse leaders from all levels, in multiple practice and academic settings, including chief nursing officers, directors, deans, professors, managers, APRNs, clinical nurse specialists and clinical nurses in hospitals, home care, post-acute care and ambulatory settings. Together they lead more than 275,000 licensed nurses who care for millions of patients each year.

ONL's Mission

We advance a culture of health through nursing leadership and professional governance.

Leadership Development

- Educational programming
- Information sharing
- Connections and networking
- Career development
- Recognition

Policy Agenda

- Policy initiatives and advocacy
- Relationships with policy makers
- Policy education

What We Do

- Promote leadership development for all nurses
- Increase nurse leader influence in local and state health policy
- Increase awareness of the exceptional contributions of professional nurses
- Promote diversity and inclusivity within the nursing profession
- Cultivate a rich community of nurses that represents the complete leadership continuum
- Develop professional nursing networks
