Nurse Leaders

Leading, Learning, Making a Difference

Collaborative teams and healthy work environments are the foundation for quality patient care and positive employee morale, both of which have significant financial implications for organizations. Nurse leaders looking to develop and lead high-performing teams need to be intentional and hone specific leadership and communication skills to succeed.

Led by healthy workforce expert Dr. Renee Thompson, this interactive program equips and empowers nurse leaders with the essential strategies and techniques needed to develop and lead healthy, high-performing teams. Whether you are looking to nurture an already high-performing team or to reestablish team dynamics for working together to enable greater performance, this session offers essential skills and strategies for nurse leaders at all levels.

Key topics covered will include:

- The keys to honest and respectful communication
- Strategies for rejecting bullying and incivility
- Techniques for building and cultivating relationships
- Providing ongoing feedback for development

Renee Thompson, DNP, RN, FAAN, CSP
