ONL Business Meeting

The ONL Business Meeting offers a chance to learn more about the core work of ONL to advance nursing leadership and empower nurse leaders. Members of the ONL Board and staff provide updates and insights about key ONL priorities, project highlights, upcoming programs, member benefits, opportunities to get involved, policy and legislative activity in our region, and recent developments impacting nursing practice and nursing leadership. This is also a forum in which ONL recognizes and celebrates our members' recent milestones and achievements.

All are invited to attend.
